## Reentry Plan Updates:

- \* Fast Direct is your go to communication tool!
- \* Staff will have their bulletin boards updated by Thursday evenings. They will try to utilize a calendar function for easier viewing of classwork assignments, homework, quizzes, tests, etc. Google Classroom will be used for various assignments by your student. However, it will not be the primary communication between school and home.
- \* Staff will be scheduling time each day to make sure your child is utilizing his/her daily planner for better communication and increased student responsibility.

## Parent/Teacher Conferences:

Due to changing circumstances and after collaborative discussions with staff, we have decided to change the date of conferences to Saturday, October 24th @ 10-1pm. We are doing a drive up format where teachers will be stationed around our school campus, you will drive up to that location at your assigned time, and teachers will conference with you through your vehicle. Grades 5-8 will be hosting a combined conference with all teachers. If you are unable to attend that day or prefer virtual, we are providing a virtual option on the form. Please check that box and the teachers will contact you to set up a meeting time that works for both of you. Rain out date is Oct. 25th 12-3pm, due to 10:30am Mass.

### **Report Card Attendance:**

FD is working on distance learning attendance on a per student basis but it is not ready yet. Attendance on 1st Qtr. report card shows all virtual learning day as "out of building" days. All attendance will be updated when programming by FD is complete.

### **Costumes:**

Staff and students are encouraged to wear costumes on Thursday 10/29. No face paint, makeup, extremely scary, or weapons allowed. Also, please make sure that bathroom use is easy! Face masks must still be worn.
