Reentry Plan Updates:

- * We have noticed students coming to school with unclean masks, hoodies, and water bottles. Please make sure to send with clean masks, hoodies, and water bottles every day.
- * Fast Direct is your go to communication tool!
- * Staff will have their bulletin boards and calendars updated by Thursday evenings.
- * Staff continues to make sure your child is utilizing his/her daily planner for better communication and increased student responsibility. Please reference them nightly.
- * If you plan on attending a Halloween or Thanksgiving family gathering, please keep in mind that this could lead to a potential 14 or 28 day quarantine. I know that we want to see our families but COVID and Flu season is happening right now.
- * Having said this, please do your part to flatten the COVID curve and stay home. We are blessed to be in person for school and we want to keep it this way for as long as possible.
