# St. Vincent de Paul School News

Created by Dr. Jennifer Maune, Principal  
Facebook Page: St. Vincent de Paul

## Reentry Plan Updates:

\* The CDC is currently discussing changing the length of quarantines and other COVID related item. Warren Co. Health Dept. and St. Vincent will be operating as we have been all year. Nothing has been confirmed by the CDC and we have shown that our reentry plan is best for our Redbirds.

\* Warren Co. Health Dept. is NOT following Governor Parson's statement of if school students are masked, they can stay at school. We will continue going above and beyond...following our reentry plan as we have from the start of school.

\* Please make sure to send with clean masks, hoodies, and water bottles every day.

\* Fast Direct is your go to communication tool!

## Thank You:

Thank you to all the fire departments, volunteers, and community members who came to our rescue Thursday and Friday evenings. We were extremely close to losing our school but they were able to save it! No one was hurt and we will rebuild. Thank you for coming together on the last minute cancellation of school so we could work to have school ready for our Redbirds on Monday. I continue to be inspired by the kindness of our St. Vincent Family. As I say, this is seriously, the best place on Earth!

### **Online School Store:**

Our online school store <https://svsredbirds.itemorder.com/sale>. Toddler sizes have been added to several items. Please contact Legacy directly at 636-239-3733 or [dave@legacyemb.com](mailto:dave@legacyemb.com) with any questions. These items would make wonderful Christmas gifts!

### **Label Clothing:**

Please mark your child's clothing, especially sweatshirts and coats, with name. We want to prevent any mix ups and lost items.

### **Advent Family Night:**

The Advent Family packets came home with students on Wednesday. Please find time this Advent season to come together as a family and prepare your hearts for the coming of our Lord.

### **Attitude of Gratitude:**

I am grateful that God and the many fire departments were able to save our school. That everyone continues to go above and beyond for our community is inspiring to see. God is good!

### **Inclement Weather:**

If school is cancelled for inclement weather, I will send out a Fast Direct notice, post on our school Facebook page, and post on Channels on 2, 4, & 5.

Per our Family Handbook, once school is in session, classes will not be dismissed due to weather. If the weather is bad but not necessary for school to cancel, students will not be marked tardy until 9:00am. It is up to the parent's discretion as to whether they feel it is necessary, due to road conditions or forecast, to not bring their children or pick up their students before dismissal.

### **Cold Weather Policy:**

With colder weather finally upon us, please keep in mind that students will go outside for full recess when wind chill temps are 21-95 degrees, 15 minutes outside when wind chill temps are 15-20 degrees, and inside recess when wind chill temps are 0-15 degrees. We will use Channel 5 Weather App to make determinations. So please make sure your child has appropriate outerwear.

### **Disinfectant Wipes:**

We are always in need of disinfectant wipes! Any donations would be greatly appreciated.

### **Parent Pick Up:**

No matter the reason, if a student does not walk out to the dismissal line at 3:00pm but their ride is there, please swing down with the car line and head to Supervised Study to pick them up. Please remember to refrain from parking on the yellow lines.
