Reentry Plan Updates:

* The daily screening form symptoms are in regard to **new/unusual** symptoms for your child. Thank you for being honest and answering questions regarding this form. If there is a known non-COVID related symptom, please note it on the form. The communication is truly appreciated!

* While anyone in your household is awaiting testing, please keep your students at home to distance learn. If the test results come back negative, your students are able to return to the school building. If the results come back positive, then we have caught it a few days earlier and helps keep everyone healthier.

* Please pack extra masks as some break or even end up in the toilet!

* There is a doorbell by the dining room doors, please ring when you arrive for Supervised Study and FAST pickup so we can make sure to know you are there.

* Pick up during the school day (doctor appts, etc.) will be at the school front doors. Please stay in your car and call the office at (636) 433-2466 when you arrive.

* Birthday treats need to be individually wrapped store bought items during this time.

* Pick up for the 3pm dismissal where cars go choose to go into either line has been going smoothly. Thank you for being flexible! Please make sure to be in line by 3:00pm.

* Please launder your child's clothes (and sweatshirts), wash water bottles, and masks, as soon as they get home EVERY DAY!!!!

*** I would highly suggest that your child have an activity kit (crayons, paper, etc.) in his/her backpack for arrival and after school pick up.**

* Please make sure to label your child's water bottle as we have identical ones and it helps with our Lost and Found.

Protecting God's Children & Protect/Prevent StL:

Anyone who wants to volunteer or work with children within our grade school must be in compliance with the Protecting God's Children program. Please click on the link under our Links page in FD. This includes taking a workshop, registering at www.preventandprotectstl.org, signing up for a background check, signing the code of conduct and watching two online videos. Please pass this info along to any family members, grandparents, etc. that might need this information. The next in person Protecting God's Children is on Sept. 14th at St. Ann's Clover Bottom. There are several Zoom meeting options, too.

Spirit Shirt Thursdays:

Just a reminder that students can wear a spirit shirt each Thursday with their uniform bottoms. The shirts include the red traditions, yellow, and the blue hive shirt. 8th graders have the privilege to wear their 8th grade shirt on Mon. and Thurs.

Milk Jugs:

We are no longer in need of half gallon milk jugs. Thank you to all who sent them in because they are very helpful to many of our students.

Online School Store:

Our online school store in partner with Legacy is ready for your viewing! Check it out! <https://svsredbirds.itemorder.com/sale>. Approved red traditions spirit shirt are now under the Uniform Approved Section. Ladies sizes are still in the works. Please pay attention to the headings of Uniform Approved vs. Non-Uniform/Misc. Blue uniform shirts will still be available through Bee Creative.

Read to Succeed:

The Read to Succeed Six Flags tickets have been extended to August 2021! The actual ticket says 2020 season but you can use that same ticket through August 2021.

Ink Cartridges:

We are no longer collecting used printer cartridges.

Forms and Lunch Menu on Links in FD:

The 2020-2021 Family Handbook, including our re entry plan, can be found by clicking on "Links" on Fast Direct. Please sign and return as soon as possible. You will also find the monthly lunch menu here.

Fall Festival Workers Needed:

St. Vincent will be having a DRIVE-UP chicken dinner on Sunday, September 27 11:30-6:30pm. Flyer attached. Just food, no other booths. Only people in the buildings will be the workers. We can't set shifts until we know how many people we have. Jobs needed include: chicken fryers/runners, cooks, kitchen help, traffic directors, dishwashers, dessert cutting, dinner cashier, taking dinner orders, filling dinner orders, delivering dinner orders to cars, deliver orders to kitchen, bank, dessert servers to cars, clean up, dessert drop off, etc. Please contact Kathy Holdmeyer at dkholdmeyer@live.com or 636-433-5240 with names and work time availability. As Father says, many hands make light work!

Staff Spotlight:

I would like to introduce Miss Alyssa Vogelgesang, otherwise known by her students as Miss V! She currently teaches 7th grade ELA, 8th grade ELA, 5/6 Spanish, 7/8 Spanish, K-8 STEAM, and library check in/out.

She is passionate about getting students engaged and excited about learning. I think it's important to remember that not all learning takes place with a pencil and paper, that students learn socially and emotionally as well. Besides education, I'm passionate about keeping positive relationships with friends and family, too.

I chose St. Vincent for the family like feeling I got when I did my interview. The staff and students are so welcoming and make me feel like I've been here for years already! I'm excited to see what the rest of the year holds!

**Water Only in Water Bottles:**

We are seeing a trend with some students bringing in flavored water in their water bottles. It is becoming a distraction to learning and we need to keep it strictly water only.

Attitude of Gratitude:

We have been blessed with another full week of in person learning. Students, staff, and families have done an outstanding job following the re entry plan and keeping our nest healthy and safe! Also, Labor Day is Monday!
