Parent Teacher Conferences

I am emailing the class list of parent teacher conference times through Fast Direct by end of this week. Please look for your child's scheduled time. I did the best I could to accommodate everyone.

The First Quarter ended Friday and the students who reached their AR goal celebrated with board game time and a sweet treat.

The following students have reached their personal reading goal while reading books on their "just right" level through the A.R.

Penny Wars:

Student Leaders have decided to hold Penny Wars each day next week. Pennies in class jars earns positive points and silver coins earn negative points. The class with the most points in their jar will earn a non-uniform day. If the school reaches the goal of \$500, students will enjoy a sweet treat. Money raised goes toward Relay for Life. Good luck classes and find those pennies!

Graduate Shout Outs

Mrs. Pam Tholen, principal at St. Francis Borgia High School, had wonderful things to say about our SVS Alumni, Cody Tuepker and Owen Struckhoff! “Good morning. I just wanted to let you know that Cody Tuepker was our Rotary Student of the Month for October; he was recognized at the lunch yesterday. He was nominated not only because he works so hard in welding and has an excellent attitude but because of his servant heart. There is a young man in welding with him who has cerebral palsy; Cody and Owen Struckhoff have made it their business to help this young man be a successful welder. No one asked them to do it; they both just stepped in and have been working with him (along with practicing their own welding skills). Since only seniors can be nominated for Rotary, Cody was nominated this year. It would not surprise me at all if Owen is nominated next year. The welding teacher, Dan Kemper, and I were discussing how his Borgia students are the only ones who just naturally sought to serve and help a fellow classmate. Of course this speaks well of those boys and their families, but it also speaks well of St. Francis Borgia.”

Way to represent SVS!

Staff Spotlight

I want you to meet me (Dr. Maune)! I am currently the school principal, 5-8 PE teacher, and 7/8 science teacher. I am passionate about baseball, reading, and my family: Travis, Andrew, Luke, Morgan, Bailey, and Maggie. God chose this path for me to join the SVS team and I am thrilled that I listened to Him. Even though my days are filled with a multitude of tasks, I focus on being a positive role model, active listener, and an intentional disciple to the students, staff, and community of St. Vincent de Paul. Go Redbirds!

Fast Direct:

1st Qtr. grades will be available on Fast Direct at the end of the day Thursday, October 24. All tuition and fees due must be paid, or grades will be held. If you have questions, please contact Mrs. Schaper in the parish office.

Veterans' Day at Purina Farms:

On November 6th at 10:00-1:00pm, our 7/8 grade students will join other area schools in honoring veterans with a ceremony and luncheon at Purina Farms. Students will be able to buddy up with veterans, assist them as needed in getting their lunches, and join the veterans for a presentations from several guest speakers. There will also be military vehicles on site for photo opportunities. One school will be selected to receive a VFW color guard program at a future date! If any students have parents or grandparents on active duty or retired military who would like to attend, please contact Debbie Patke at Purina Farms at 314-982-5213 or debbie.patke@purina.nestle.com.
